(Received 16 October 2017)

Dear Sir,

In response to your above referenced letter, the Company has no objection to the Contractor's request to enter into a subcontract with the contractors named below for the works defined therein. Approval is granted subject to the Contractor's compliance with Clause 7.0 "Subcontracting" of the General Conditions of Contract and Clause 17.0 of Appendix D "Project Administration and Coordination Procedure" and that Contractor remains fully responsible for the acts and omissions of its Subcontractor. It is also understood that such subcontracting shall not create any contractual relationship between any Subcontractor, at any tier, and the Company.

NAME	SCOPE
AL SHAHEEN Technical Contracting Co.	Manpower and Equipment Supply
Manpower/Equipment	50 Nos. Manpower / 10 Nos. Equipment
Duration	3 months (start 05-Nov-2017)

The Contractor shall ensure that the technical and commercial requirements in Clause 17.4.4 of Appendix D, as appropriate, are incorporated and imposed on the Subcontractor and submit for Company's information, at the time of issue, one (1) copy of the bid request for subcontracts and an un-priced copy of the conformed subcontract.

In this respect, you are kindly requested to ensure compliance with the HSE requirements, in particular, but without limitation, HSEMS Procedure(s) and the Driving Procedure in Document KOC.SA.016.

This is for your information and action as necessary.

Yours faithfully,
For KUWAIT OIL COMPANY

MOHAMMAD A. AL-RASHIDI
 Team Leader Major Projects (V1)

CONTRACTING CO. W.L.L.

Reference: Contractor letter 45582/HK/U02413 dated 17 October 2012
(Received 21 October 2012)

Dear Sir,

In response to Contractor's reference letter, Company has no objection to the contractor listed below as Subcontractor for the works described herein solely for this Contract. Approval is subject to Contractor's compliance with Clause 7.0 "Subcontracting" of General Conditions of Contract and Clause 17.0 of Appendix D, Project Administration and Coordination Procedure, and that Contractor remains fully responsible for the acts and omissions of its Subcontractor. It is also understood and accepted that such subcontracting shall not create any contractual relationship at any tier between the Subcontractor and Company.

NAME	SCOPE
M/s. Al-Shaheen Technical Contracting Co. W.L.L.	Hire of Construction Equipment with Associated Manpower (drivers/operators)

Contractor shall ensure that the technical and commercial requirements of Clause 17.4.4 of Appendix D, as appropriate, are incorporated and imposed on the Subcontractor and submit for Company's information at the time of issue, one (1) copy of the bid invitation for subcontract and unpriced copy of the confirmed subcontract.

Contractor shall ensure that Subcontractor's workmen (drivers/operators) provided under this subcontract are strictly under the legal sponsorship of M/s. Al-Shaheen Technical Contracting Co. W.L.L. and that equipment provided are owned by the same, by providing copies of Civil ID's and Registration Certificates prior to mobilization at Site.

Furthermore, this approval is conditional upon the Contractor providing and being responsible for the direct supervision of the workmen (drivers/operators) and equipment provided by M/s. Al-Shaheen Technical Contracting Co. W.L.L.

This is for your information and necessary action.

Very truly yours,

PRESS RELEASE
Paris April 11, 2011

BID Business Initiative Directions
Building better business reputation worldwide

Al Shaheen Technical Contracting Co. WLL
from Kuwait
selected for the International Star for Leadership in Quality Award Paris 2011
In recognition of Commitment to Quality, Leadership, Technology, and Innovation

B.I.D. Paris
The Business Initiative Directions International Star for Leadership in Quality Convention and presentation of the 2011 International Star Award took place on April 11th in the Paris Palais des Congrès Hall. The event was presided by Jose E. Prieto, President and CEO of B.I.D., along with outstanding personalities from the business world and diplomatic corps. The main sponsor of the International Star for Leadership in Quality Convention was InaPress, media group which covered the awards in Paris through its more than 50 publications in English, French, Spanish, Russian, and Portuguese.

The B.I.D. quality symbol is present in 178 countries around the world, creating a firm ground for the implementation of integral quality processes through the technology and procedures of the QC100 model of Total Quality Management. According to Jose E. Prieto, President of B.I.D., "the awarded companies are symbols of commitment to leadership, technology, and innovation, making their models for others in their sectors." Companies from Europe, America, Africa, Asia, the Far East, Oceania, and the Middle East have received the B.I.D. International Quality Award in recognition of their achievements in spreading Quality Culture. For their commitment to quality, these companies join the historic group of prestigious B.I.D. Quality Award Winners. Among these outstanding companies are: Ansaldo Energia, Italy; RAO - Unified Energy Systems of Russia; Turner Construction International of the U.S.; KEPKO, South Korea; and Ah & Cachon - TBWA, France, all featured in articles, as well as: the 2011 Quality Award, featured within these pages, are NCR Corporation India Private Limited, belonging to the ING Group, a global financial services company based in Holland with 115,000 employees.

ING Funds - Holland
Represented in Thailand and belonging to the ING Group, a global financial services company based in Holland with 115,000 employees.

China Steel Corp.
The largest steel producer of Taiwan with sales of 2.8 billion USD and 17,000 employees.

Qtch International - Australia
Leading technology company with offices in 35 countries.

NTPC Ltd. - India
The Centre for Power Efficiency & Environmental Protection of NTPC, India's largest power company ranked 317th in the 2009 Forbes Global 2000. With a generating capacity of 30,644 MW it will become a 75,000 MW company by 2017.

CVG Electrificación del Caroni - Venezuela
The most important hydroelectric power generating company in the country.

Saudi Iron & Steel Company (Hafslund) - Saudi Arabia
The main producer of steel, belonging to SABIC, a corporation with 6.8 billion USD in annual sales.

Zepher International
A multi-sector business with over 2 billion USD in profits.

The 2011 International Star for Leadership in Quality ISLQ Convention in Paris ascribes to the commitment to quality of awarded companies among the top areas of industrial production and services. Among winners of the 2011 Quality Award, featured within these pages, are NCR Corporation India Private Limited, Dowser New Zealand, the Abu Dhabi Police Headquarters, from the UAE; ANKOL, Poland; Bank Toper, from Iran; Electromotors Deva, of Romania; Cooperativa La Cruz Azul, from Mexico; Abdul Samad Al Qasbi, Saudi Arabia; Insurance Company Zhan, from Russia; the Health Ministers' Council for Cooperation Council States, from Saudi Arabia; and T.E.L. from France. Other winners in Paris were:

NCR Corporation India Private Limited
Winner of the International Star for Leadership in Quality Award at the 2011 B.I.D. Convention in Paris, NCR is a technology company specialized in kiosk products and IT services. It belongs to NCR U.S., which was ranked 451 on the 2010 Fortune 500. Listed on the NYSE, this company has 21,500 employees and in 2009, revenues of over \$4.61 billion.

Subject: ISLQ International Star for Leadership in Quality Award - Paris 2011
Ref: 11/ P/ 159

Dear Sirs:

Continuing our previous correspondence, we would like to remind you of the decision to present your company with the International Star for Leadership in Quality Award. We are enclosing a press release covering the convention in Paris in which you can appreciate its international success.

The BID convention in Paris on April 11th gathered outstanding business people from 61 countries. Nonetheless, your company's absence at the award ceremony was noted, and we regret the circumstances which did not allow your representatives to travel to the event.

Since your company retains its candidacy to receive the International BID Award for Quality, you have the possibility of receiving the trophy directly at your offices. BID will deliver all the International ISLQ Award material to you, including the certificate, the TQM QC100 and the award applications manual with examples and guidelines.

We would like to inform you that the news that your company has been awarded with the International ISLQ Award can only be used for publication once you have acquired the rights to use the symbol of the TQM and implement principles of the QC100 according to the stipulated conditions.

Please contact our offices in Madrid, through the International Department. We will be happy to give you further details regarding the conditions to receive the award.

We wish you continued business success.

Sincerely,
